And how many 40-minute mentoring sessions would you like to give?

I understand that filling out this form does not guarantee me a position as a presenter. I also understand that if I'm chosen to present, I will need to register for the retreat and cover my own expenses (travel, transportation, registration for program, meals, and lodging, and printing of any handouts) and that I will receive 10-15% off registration depending on the extent of my participation as a presenter.
